DTIC COLLECTIONS SEARCH

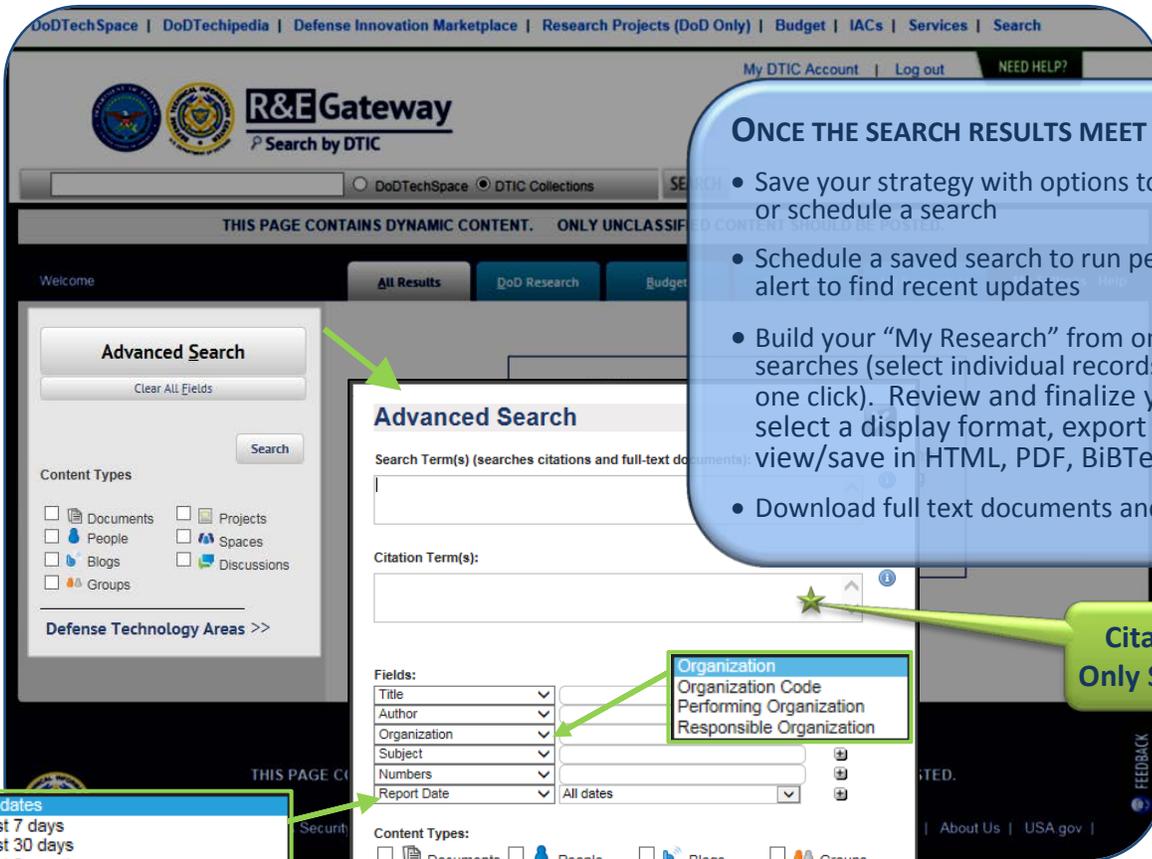

R&E Gateway

Search by DTIC®

DTIC REGISTRATION IS REQUIRED: <https://www.DTIC.mil>

DTIC SEARCH combines traditional resources with dynamic user content. The new interface concurrently searches the latest collaborative input, conversations, and state-of-the-art technology with traditional DoD research project summaries and documents (technical reports and IAC documents). Use additional options for your exported results including HTML, PDF, BiBTeX and Excel (EndNote/RefWorks compatible).

ONCE THE SEARCH RESULTS MEET YOUR NEEDS:

- Save your strategy with options to modify, run, or schedule a search
- Schedule a saved search to run periodically as an alert to find recent updates
- Build your "My Research" from one or multiple searches (select individual records or add all with one click). Review and finalize your items, select a display format, export and view/save in HTML, PDF, BiBTeX or Excel.
- Download full text documents and summaries

DTIC COLLECTIONS SEARCH

TECHNICAL REPORTS (TRS) = DOCUMENTS ON THE DOD RESEARCH TAB

More than 3 million TRs with almost 1 million full text

- Public release, limited distribution, and sanitized citations to classified documents
- Multiple search options
- Download Full Text at no charge, request document scanning, or contact the IAC

DTIC: TECHNICAL REPORTS COLLECTION:

- ✓ Research reports, journal articles, conference papers, etc.

INFORMATION
ANALYSIS
CENTERS
(IACS)

IAC TECHNICAL REPORTS:

- ✓ Technical reports produced by or collected from IACs
- ✓ Search citation (metadata) or full text and limit to individual IAC

PROJECTS = URED SUMMARIES ON THE DOD RESEARCH TAB

Almost ½ million research project summaries

- ✓ Available to DoD only
- ✓ Comprehensive scientific and technical DoD project summaries
- ✓ Technical content, performers, monitors, and funding
- ✓ Contributions from Defense research organizations including Federally Funded Research and Development Centers (FFRDCs) and other non-DoD partners

UNIFIED
RESEARCH &
ENGINEERING
DATABASE
(URED)

LEGACY INDEPENDENT RESEARCH & DEVELOPMENT (IR&D)

- ✓ Initiated by DoD contractors but not performed under contract
- ✓ DoD supported industry exploration of new technologies with potential for military systems
- ✓ Projects improve existing DoD products, meet dual use demands, or address known or potential DoD requirements
- ✓ Highlights contractors with expertise in DoD interest areas and avoids duplication of effort

(PROPRIETARY)

DODTECHSPACE = COMMUNITY TAB

- ✓ Professional Networking tool with interactive capabilities
- ✓ Create Content and Groups with people having mutual interests
- ✓ Blog and Share ideas to stay abreast of current trends
